

Guidelines for the Community Calendar

To better plan Jewish communal events, the community calendar, which is maintained by the Jewish Federation of Palm Beach County, is accessible via Federation's website at JewishPalmBeach.org by clicking the Community Calendar link. Events for the calendar may be submitted by clicking the "suggest an event" link on the community calendar.

Events displayed on the community calendar for Federation, its affiliated agencies and synagogues will include the date, start time, location and contact information for the sponsoring organization. Events submitted by organizations other than synagogues or affiliated agencies of the Federation will be listed with the organization's name, date and start time. The community calendar will only list major events that have community-wide impact. Federation reserves the right to approve or decline the posting of submitted events.

All events listed on the calendar must have confirmed dates. No tentative events will be posted. Any changes to the calendar must be submitted to the Federation by e-mailing calendars@jewishpalmbeach.org.

Organizations are responsible for confirming that the calendar displays their submitted event correctly, as confirmations will not be sent.

Federation will make every effort to post an event to the calendar within two business days, however this is subject to change based on the time of year.

Any questions about these guidelines can be sent to calendars@jewishpalmbeach.org.
